Statement of Issues to Be Presented

A. Whether the Bankruptcy Court erred in expunging the claimant's asbestos property damage claim on the basis that putative class counsel did not have authority to file the claim on behalf of the claimant who was a member of the putative class.

B. Whether the Bankruptcy Court erred in expunging the claimant's asbestos property damage claim on the basis that the claimant was precluded as a matter of law from ratifying a timely proof of claim filed on its behalf by putative class counsel of a class that included the claimant, even where the claimant/class member had received no direct or actual notice of the bar date from the Debtors.

C. Whether the Bankruptcy Court erred in expunging the claimant's asbestos property damage claim without an evidentiary hearing or without making specific findings of fact as to when the claimant received actual notice of the bar date and when the claimant provided authorization (written or oral) to class counsel to file or proceed with the proof of claim on claimant's behalf.
